

IT'S TIME TO AMPLIFY AND INFLUENCE WITH YOUR LEADING STORY

WBENC

COMPANY SUMMARY

StoryLede™ is a woman and minority-owned marketing and visibility firm focused on providing full-service solutions for growth-oriented companies. From communicating your company's dynamic message online to effectively captivating the room for your next presentation, we help you identify and extract the **powerful stories** behind your brand so you can confidently connect with any audience, increase your visibility on multiple platforms, highlight your authority -- and ultimately, syndicate your unique message.

We pride ourselves on working with organizational leaders in a high-touch manner to help them effectively communicate their brand with a focus on revenue, visibility and impact. When you partner with StoryLede you are not just hiring a marketing firm -- you are partnering with group of experienced marketing specialists who help you reach your vision of what your business can become.
